## **Important Parent Information:**

- There will be a **MANDATORY** orientation meeting on Wednesday, June 1 at 6:30pm. Registered families will be emailed more information.
- Families must purchase a pool pass or punch card through the Palatine Park District if your child is going to the pool. We do NOT accept cash.
- Please drop a completed registration packet at the Main School Office at Immanuel Lutheran School in Palatine. Registration forms may also be emailed to the Director (Nicole Mathes) at [dcamp@ilcp.org](mailto:dcamp@ilcp.org). **If sent via email, the registration packet must be a PDF. Images will not be accepted!** All camp fees are due at the time of registration!
  - If a payment plan is needed, please email the Director
- Changes to your child's camp schedule must be made TWO weeks in advance IF we can accommodate the change. We do not guarantee that we can accommodate the change. No refunds are given.
- Please note that the registration fees are non-refundable
- A tuition express form is required to have on file for all registered camp families.

Email [dcamp@ilcp.org](mailto:dcamp@ilcp.org) for further questions! ☺

## **Frequently Asked Questions**

### ***Does my child need to know how to swim in order to participate on Pool Days?***

No, we have many campers who are non-swimmers. Campers in grades 4-8<sup>th</sup> take a swim test before being allowed in the deep end. Campers in 1<sup>st</sup>-3<sup>rd</sup> grade stay up to their armpits (i.e., not past the second waterfall). The 4-5 year old campers stay in the splash pad area (i.e., up to the first waterfall/waterslide). You can have your child wear Coast Guard approved floaties or a life jacket.

Campers have the option of playing in the grass or in the sandpit. If they are tall enough, they may also go on the big waterslides. The lifeguards will measure the height of the campers to determine if they are tall enough.

### ***What does supervision at the pool look like?***

Counselors are stationed throughout the entire facility, including the sandpit and bathroom areas, and rotate throughout the pool time. Counselors also wear neon yellow visors (the color of a safety vest) while off-site, making it easy for campers to identify their counselors. The lifeguards also help keep campers from ALL camps safe and are great at reminding younger children not to go any deeper if they see them with water past their armpits.

### ***The weekly field trip schedule looks so fun! How do you keep track of all the campers?***

Campers are assigned to counselors and camp groups for the field trips. Counselors do frequent head counts and there are at least two adults with every group (depending on group numbers), so an adult is always at the back and at the front of the line. For "larger" field trips (e.g., Chicago

museums, water parks, etc.), campers wear a wristband with the Director's cell phone number on it in case of emergency.

Campers and counselors will also wear their camp t-shirts on the field trip. We keep the shirts and wash them each week so that parents do not forget to send their camper in them on field trip days. Your child can take home their shirt on their last day of camp!

***Does my child need a lunch?***

YES, your child needs a lunch every day! While we provide a light breakfast (in Before Care) and a snack, we recommend packing extra snacks for your camper.

***Does my 4-5 year old need anything for rest time?***

We provide cots for the campers, and we recommend that they bring a small blanket or towel to use. You can bring these items in a bag, labeled with your child's name on it, and leave the bag with us for the duration of summer camp so you do not have to carry it back and forth.

***Does my child participate in the pool or park days if they are attending half day camp?***

No. Half day campers leave before lunch and any afternoon activities such as the park or pool.

***What if I need to pick up my child early (i.e., before 4pm)?***

Please note we DO NOT allow offsite pick-ups unless it is an emergency. Your child must be picked up before 12:30pm on pool and park days if you need to pick up your child before the end of camp. Field trip times vary, so please check the schedule. Camp ends at 4pm.

***Is there any communication about the weekly schedule?***

Yes, the Director will send out a weekly email with the theme of the week, field trip times, and any other important information to note for the week. Please make sure your email address is legible on the registration form.
