

HELP THOSE IN NEED THIS HOLIDAY SEASON

FILL THE CHANCEL

Every November, Immanuel's Good Samaritan Ministries restocks the food pantry with generous donations from school families, the church congregation, and the community through "Fill the Chancel" (the "chancel" refers to the area at the front of the church sanctuary surrounding the altar where the food is collected). Students will receive brown paper bags with a list of items that are needed. Please fill the bag as you are able and return it to the narthex during the month of November before Thanksgiving.

COLLECTING ITEMS FOR HAITI

This year, Good Samaritan Ministries is partnering with the families of Immanuel Lutheran School to provide NEW shoes, socks, and underwear for the people living in the countryside of LaJeune, Haiti. The size range for underwear is: children: small to large; teens: small to large; and adults: small to large. The range for shoe sizes is children: size 3-8; teen and women's: size 6-9; and men's: size 8-12. Sandals or lightweight gym shoes would be appreciated. If you can provide \$5.00 per pair for shipping to Haiti, it would be appreciated. Items can be dropped off in the bin in Fellowship Hall or in the school office beginning November 5. The deadline for the collection is Sunday, December 3. Items will be distributed through Habitat For Children Ministries and through the churches in LaJeune and the surrounding area. You can be the feet of Jesus by supporting Good Samaritan Ministries and this need of God's people in Haiti. Any questions? Please stop by the table in Fellowship Hall after worship between November 26 and December 17 or email goodsam@ilcp.org. BLANKET COLLECTION DRIVE

Help us warm up our local communities! We're teaming up with local, youth-run organization, Sisters Giving Hope (Immanuel family members) on their mission to make this winter warmer for our neighbors in need. As the temperature drops, many members of our local community are facing the harsh cold without a blanket to provide comfort and warmth. Together, we can change that. We're hosting a Blanket Collection Drive to gather gently-used blankets that will be distributed to those who need them the most. Your simple act of kindness can bring solace to someone during the coldest nights. Donate your new or gently-used blankets by bringing them to our church/school and placing them in the bin in Fellowship Hall by December 1. Thank you for helping us help people!
