

PARENT TEACHER LEAGUE

2015-2016

Who is involved in the Parent Teacher League?

YOU are the Parent part and Immanuel's teachers are the Teacher part of the Parent Teacher League, or PTL. Parent volunteers serve as the Executive Board and Committee Chairs of PTL. Many additional parents help support PTL activities throughout the year.

What is the purpose of the Parent Teacher League?

The purpose of the Parent Teacher League is "to promote Christian Education and to support the programs of ILS; to help provide financial support in furnishing and equipping ILS; and to help develop a close relationship and cooperation between ILS and its teachers and the parents of children enrolled therein."

Where does the Parent Teacher League need volunteers?

PTL is run by parent volunteers. We are looking for parents who can coordinate class parties, send emails, assist with games, celebrate teachers, provide snacks, sell spirit wear items, help with concessions, greet other families, coordinate assemblies, assist with technology, help raise money, promote art/music, have fun with children, and assist teachers throughout the year.

When does the Parent Teacher League meet?

PTL meets at Immanuel both during the day and in the evening. Watch the PTL section of the school newsletter for meeting date and times. Committee meetings take place throughout the year as needed. Every parent is welcome to attend PTL meetings.

Why should I get involved in the Parent Teacher League?

When you get involved in PTL, you are serving your children and their teachers. You are able to fellowship with other parents and families as you are building into your child's school community. It makes God smile when you use your talents to help others.

How do I get involved in the Parent Teacher League?

Come to a meeting or reach out to the PTL Executive Board or Committee Chairs. We welcome all volunteers.
